## FILING THE PUBLICATIONS

The Publications Index Book listed on Page 11 of this pamphlet shows a simple system of classifying the publications for future reference and study. The system provides for numbering and filing the publications as they are

Pamphlet Filing Cases

received. To preserve the booklets in standing position filing cases are **required**, or they may be placed on a shelf and blocked at each end. The illustration shows two filing cases containing thirty pamphlets that are listed by subjects in the thumb-indexed ruled pages of the Index Book. The system in use constitutes a valuable farm library.
